EquineVeterinaryServices.com

At Equine Veterinary Services we are proud to be a GlobalVetLink (GVL) participating clinic in order to provide our clients state-of-the-art access to their Coggins at all times. Equine Veterinary Services partners with the GVL software MyVetLink to provide you, our client, with instant on-line access to your Coggins once the test has been completed for your horse.

Once you have set up your account, simply download and print your Coggins as needed. Please be sure to check that your Coggins has a veterinary signature. If not, you must reprint in Adobe Reader. If you have any problems retrieving your Coggins - please call our Front Office during business hours at 972.524.7075 for assistance.

Go to www.MyVetLink.com

On the Register tab, choose either Animal Owner or Animal Agent.

Enter your email address. Remember you must use the same email address you have given your veterinarian when setting up for your Coggins.

Enter a password of at least 6 characters.

Read and agree to the GVL Terms of Services. And click Register.

Go to your email - where you should find an email from Global Vet Link. Click on the link in the email to verify your account.

Congratulations! You are all set.

Enjoy 24/7 access to your animal's GVL Certificates!

You can log-in and retrieve your Coggins worldwide.

Remember, a Coggins is only good for one year from the date noted on the form.
